The Journey to being a World Christian

NOTES:

THE JOURNEY TO BEING A WORLD CHRISTIAN

Based on last week's message on prayer and small groups, we thought some of you might like to use these five questions for your small groups.

1. What experiences of prayer and meditation have you had this week?
2. What temptations did you face this week?
3. What movements of the Holy Spirit did you experience this week?
4. What opportunities to serve others have you had this week?
5. In what ways have you encountered Christ in your study of the Bible this week?

Questions relating to Dave Toycen's message.

1. What inspired you most from Dave Toycen's message?
2. What challenged you most from Dave Toycen's message?
3. What was the most difficult or hard to accept thing that you heard from Dave Toycen?
4. What new steps are you taking as a result of the weekend experience with Dave Toycen?
5. What are some ways your group can become more globally focused?
6. As you reflect on The Journey Church's connection to Xebangfey and World Vision what are some things you can do to deepen the connections for you personally and as a group?
