Gospel Imagineers are those who have said yes to Jesus' call "Come follow me." (Mk 2:14) There are four key roles as we follow Jesus: Apprentice, Pilgrim, Story-teller, and Friend. Today we are going to 'imagineer' what it means to be an Apprentice of Jesus.

*"...have the same mindset as Christ Jesus..."*

*Philippians 2:5, NIV*

### 1. Apprentices need a Master/Teacher

- Jesus is our teacher through the Spirit and the Word in the context of the Church.

### 2. Apprentices Practice

- What inspires us to become an apprentice is initially out of reach so we do well to avoid heroic expectations and instead engage a "one step at a time" life of following Jesus.
- Practices include: **Serving, Worshipping, Learning, Belonging & Sharing.**

### 3. We are all Apprentices

- We allow mistakes, we listen to feedback and we apprentice one another.
