## The Vision Question:

What do we believe God wants our church to become in the next five years?

### The Vision Answer:

#### Becoming a Church that loves like Jesus -

So that...the churchless, the doubting, the hurting, the skeptical, the questioning, the successful, the broken, the poor, all kinds of families, all kinds of people across all generations...**will find welcome.**

“Love each other in the same way I have loved you.” John 15:12

### The Vision Paths:

#### Embrace our Broken Community

- A culture of inviting
- Evangelistic initiatives that shares the hope of the gospel
- A heartfelt inclination towards the next generation
- Service ministries that meet needs with love
- Equip people to serve within their spiritual gifts and abilities as ministers of the church.
- Multiply our impact (*small big church / multi site*)
- Strive to live out the Gospel in word and deed (*start local - go global*)

#### Grow Great Souls

- Bleeding the Bible so that it changes how we live and think.
- Prayer encounters that allow us to experience God in our day to day lives
- Contemplative journey that seeks emotionally healthy spirituality
