

Liette M. Collier: I've been attending The Journey Church for 30 years (1992). My husband Ivan, daughters Amanda and Shannon, and I were baptized here as a family in 1993. To say we've seen a few changes would be quite the understatement!

I'm a certified personal and professional life coach with Seize the Day Life Coaching in addition to a partner-renovator with Ivan in Poppa's Workshop Inc. While covid may have drastically modified my business, God has more than blessed us in our creative venture. Not either/or but a merging of us. While Seize the Day encourages growth in 'Revealing. Releasing. Transforming.', Poppa's Workshop allows us to serve and love others, to bless and be blessed as we experience God at work together. We work in our true identities as His children, a living example to our 5 grandsons.

In my many years at TJC, I have served in numerous areas but some of my favorites were as Small Group and Elective leader, Sunday school and Satellite site coordinator, and as member of the Transition Team (2010) followed by being a Board member for a 6-year term. I have been open to wanting to serve on the Board once again as I found it to be an enriching and enlightening experience previously but I leaned heavily into His timing, His will, so as to not interfere with His projected plan. In following His promptings, I am honored to be part of the Board for such a time as this.
